A screenshot of a Google search results page for the query "theft in mumbai". The search bar at the top shows the query. Below the search bar is a navigation bar with links for All, News, Images, Videos, Shopping, Web, Maps, More, and Tools. The main content area is titled "Top stories". It displays two news articles. The first article is from Hindustan Times, dated 1 day ago, about Shah Rukh Khan's threat case. The second article is from mint, dated 3 weeks ago, about Shilpa Shetty's restaurant fire. Both articles have a "Show Content" button. A "More news →" link is visible at the bottom of the list.

A screenshot of a Google search results page for the query "theft in mumbai", identical to the one above but with detox search off. The results show the same two news articles from Hindustan Times and mint, both of which are fully visible without any "Show Content" buttons. A "More news →" link is also present.
